Subject: Notification of Wild Card to participate in AIBA World Boxing Championships Hamburg 2017

Dear Mr Reyes,

Following the conclusion of all Continental Championships, that also served as qualification platforms for the AIBA World Boxing Championships Hamburg 2017, the AIBA Seeding Commission has gathered to examine all the requests received as well as the case of other Boxers that could benefit from a wild card place.

We are pleased to announce that the AIBA Seeding Commission has decided to grant the below boxer a Wild Card to the AIBA World Boxing Championships Hamburg 2017.

1. MOLINA Bayron Men's Light Fly (49kg)

Please note that your National Federation will have to send an official letter confirming that the above boxer will participate in the AIBA World Boxing Championships Hamburg 2017. Please send the letter to the AOB Sport Department (sport@aiba.org) by Tuesday July 18, 2017.

If you do not confirm this granted Wild Card before the given deadline, the Wild Card will be reallocated to another boxer, not yet qualified, in the same weight category.

Sincerely,

Ching-Kuo Wu
AIBA President
